

# Untitled [Redacted]: Episode 1

By Nicholas Tran

*Rustling Noise. Footsteps.*

KEITH

*Panting.*

KAREN

Hurry up!

KEITH

*Groaning.*

We've been walking for hours! Is this place really worth all of this?

KAREN

Absolutely! It's in the middle of nowhere and it's a completely empty house. We're going to be able to light it up without having to worry.

KEITH

*Groaning.*

You better be right about this, or your parents are going to bail us out this time.

KAREN

Trust me, this place is gonna be great! Now hurry up! You're such a slowpoke!
