

KEITH

Goddam-

KAREN (*laughing*)

Just kidding. Look, no one's been in this house for decades, everything is old and musty, so it looks like it's haunted. But if it really was haunted, people would've probably burned it down by now.

Now come on. Let's check upstairs.

KEITH

I don't know if that's a great idea.

KAREN

Come on! Or do you want to be split up like they do in horror movies?

KEITH

Fine, I'm coming.

God, these stairs are rickety.

*Beat. Grandfather clock chiming.*

Did you hear that?

KAREN

Hear what?

KEITH

It sounded like a clock going off.
